11. What did you appreciate most about this class?

12. Is there anything you would like to see the TA do to improve his/her teaching?

NO, Sarah was amazing!

Please make any additional comments regarding the TA and/or discussion sections.

Sarah was one of the best TA's I've had in my 4 years at UC Davis! Not only was she very knowledgeable about the material, she was able to present it in the most clear way possible. She was able to change her teaching & explanations when students were not understanding. She dedicated a great amount of time to this class, including getting back to questions via email, office hours, & extra review sessions.

11. What did you appreciate most about this class?

12. Is there anything you would like to see the TA do to improve his/her teaching?

NOPE! BEST TA I'VE EVER had!

Please make any additional comments regarding the TA and/or discussion sections.

sarah was an amazing TA. she went above and beyond what was expected out of a TA. she made extra practice problems & review sessions for us. she also really understood the material & was able to help me understand the class so much better. I wish sarah could be my TA for all my classes. she was even better than some of my past professors!

11. What did you appreciate most about this class?

12. Is there anything you would like to see the TA do to improve his/her teaching?

Please make any additional comments regarding the TA and/or discussion sections.

Sarah is an excellent TA. She truly cares about her students, and she takes the time to explain any confusing concepts. Also, she is kind and very respectful.

13. Are there any aspects of this course you would like to see improved?

14. What did you appreciate most about this instructor?

15. Is there anything you would like to see the instructor do to improve his/her teaching?

Sarah was extremely thorough in both her mathematical & logical explanations. She even went above & beyond her duties, often organizing extra review sessions & posting several clarifications to ensure that her students were well prepared for all class assessments. She was also very patient and made students feel comfortable enough to ask questions.
